Dear Brother! —

I will send you a
few lines to tell how
as you we have lots
of snow here in Duluth

and it is good skating.
to every body is out
enjoying the winter
I hope you can come home
to enjoy it to.

well I had a letter
from Elna Eskeland and
she said she likes Carlton
but she would mind

living Durluth. well I am
not working now just taking
it easy.

but soon I am going to
work again well I hope
by this time you know if you
will come home or not.

you know all I wish for
Christmas that you would
come home

Dear
Brother
I
am
writing
you
and
be
with
you

I am wondering if that
will come true or not.

Say Brother do you now

Edward and William Ligon

well they shagged and robbed

three fellows and so they

are in jail.

well I have no more

news I guess I will close

with hopes to see you
write soon.
