Dear Sir,

I have been requested to write you a letter regarding one Louis Dondino, whom is (understand) in your charge.

I have known said Louis Dondino, and his people for a period of about 8 years, and I know them to be law abiding citizens, and reasonable to get along with.

I think said Louis Dondino, was drawn into his trouble by the force of an excited crowd, he being a truck driver.

His father and mother are still living and are quite aged.

I recommend that he be given as much liberty as possible at this time.

Yours truly
E. C. Burnham, Sr.
Town Clerk.
